

CHILDREN, YOUNG PEOPLE AND FAMILIES

We love having children and young people in our church, and families are very welcome. Although we cannot claim to get it right every time, we work hard to make church a place where all ages can fit in and belong.

You will see that some Sundays are all-age family services where we all stay together for the whole service. These are child-friendly services and we expect a bit of noise!

On other Sundays we have junior church groups. All these are led by trained leaders and proper safeguarding procedures are followed.

CLAYTON BROOK 6-7PM

On Sunday evenings we have an hour of open prayer and praise at Clayton Brook.

We read from the Bible, sing God's praise and pray together. We are free to pray for anything—especially the life of the parish and our church, but also individual needs, evangelism and the needs of the world.

'Rejoice in the Lord always.

I will say it again: rejoice!

Let your gentleness be evident to all.

The Lord is near. Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.'

Philippians 4:4-7
